In support of this petition, applicant submits the declarations of Cornelis J. Drost,

- (a) that there is an infringing device or product actually on the market or method in use;
- (b) that he has a good knowledge of the pertinent prior art.

Also accompanying this petition is a declaration by Brian B. Shaw that a rigid comparison of the alleged infringing device, product or method with the claims of the application has been made and that in his opinion, some of the claims are unquestionably infringed.

In addition, each of the references has been forwarded to the Patent Office in Information Disclosure Statements.

Accordingly, applicant request this Petition to Make Special be granted and the application undergo accelerated examination.

Respectfully submitted,
